

Associates of Arts in Business - Management

About the Program

The **Associate of Arts in Business with a concentration in Management** is both an academic and business – oriented program that allows the students to acquire all necessary skills, concepts, and experiences to either continue their studies for a Bachelor of Arts in Business Management or Bachelor of Business Administration degree; or to be employed in a variety of positions within the business management field as a starting professional.

The program offers the student not only a sound foundation in the Business Management subjects, but also focuses on the related business fields of Accounting and Information Communication Technology. As such, a graduate of the Associate of Arts in Business with a concentration in Management is a generalist in the business field who is ready to become a specialist.
