# Associates of Arts in General Liberal Arts

## About the Program

The Associate of Arts Degree program in General Liberal Arts is a college program that allows students to acquire the necessary skills, concepts, and experience to be employed in a variety of positions or continue their academic careers in other disciplines.

The General Liberal Arts program at USM offers a blend of courses in humanities, mathematics, natural science and social science and linguistics needed to sharpen the communication and critical thinking skills lauded by employers and also necessary for students to continue on to bachelor programs.

The General Liberal Arts Associate's Degree in General Studies gives the students the opportunity to explore their areas of interest by electing the courses according to their choice of study or career.
